EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Claims:

Claim 14, line 1: replace "1" with --13--.

2. The above change was made to correct the dependency of claim 14. Note claim 14 in the papers filed 14 FEB 2000 correctly depends from claim 13 as claim 13 sets forth antecedent basis for elements of claim 14. Subsequent amendments show claim 14 depending from claim 1 without any indication that a change in dependency was intended. Accordingly, this typographical error in the dependency of claim 14 is now corrected.

3. The following changes to the drawings have been approved by the examiner. The drawing corrections filed 03 OCT 2002 and 10 MAR 2003 are approved. Replacement sheets in formal form which incorporate the drawing corrections are now required. In order to avoid abandonment of the application, applicant must make these drawing changes.
